This course is designed to deepen your understanding of Union values, learn about CUPE's structure, to understand how unions solve problems and to develop and gain skills that will help members play a stronger role in their CUPE locals.

## STEWARD LEARNING SERIES

In order to register for the SLS workshop members **must** have completed the **Introduction to Stewarding workshop** and have some practical experience as a steward. Please bring your **Collective Agreement** and your **Stewards Passport**.

- **Connecting with Indigenous Workers**

There are workers with disabilities in every workplace. Learn about different kinds of disabilities and what you can do as stewards to create accessible workplaces.
- **Challenging Racism in the Workplace**  
This workshop covers what racism looks like in the workplace, and your role as a steward in challenging it.
