- and -

THE CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 941
St. Albert, Alberta
hereinafter called "The Union"

(January 1, 2019 - December 31, 2021)

ARTICLE 1 - PURPOSE

1.01 The purpose of this Agreement is:

- 1) to promote and maintain an harmonious, co-operative and understanding relationship between the employer, the Union, and its members;
- 2) to provide an amicable method of settling differences or grievances which may arise with respect to matters covered by this Agreement;
- 3) to enhance the services provided to the citizens served by The City of St. Albert;
- 4) to promote and maintain the mutual interests of the Employer, the Union, and its members.

1.02 For the purposes of this Agreement, wherever the masculine gender is used it refers to both masculine and feminine.

ARTICLE 2 - UNION SECURITY AND RECOGNITION

2.01 The City recognizes the Union as the sole bargaining agent for all employees in classifications covered by this Agreement described in Alberta Labour Relations Board Certificate No. 434-92. No individual or group of employees shall undertake to represent the Union at meetings with the City without proper authorization from the Union. In order that this may be carried out, the Union will supply the City with the names of its officers and committees. Similarly, the City will supply the Union with a list of its supervisory and other personnel with whom the Union may be required to transact business.

2.02 All employees who are members of the Union shall remain in good standing according to the constitution and by-laws of the Union, as a condition of employment. All employees covered by this Agreement shall pay to the Union monthly dues in the amount established by the Union as a condition of employment, and shall immediately upon hire become a member of the Union.

- 2.03** The City agrees to deduct dues described in Article 2.02 above from the employees' wages as a percentage of each regular hour worked and remit same to the Union by the 15th of the month following the month's collection.
- 2.04** No Union member shall be required or permitted to make any written or verbal agreement which conflicts with the terms of this Agreement unless approved by the President of the Union or their designate.
- 2.05** Persons whose jobs are not in the bargaining unit shall (except under emergency situations) not work on any jobs in the bargaining unit when the performance of such work will result in reduction in pay, layoff or denial of overtime for permanent employees covered by the bargaining unit.

ARTICLE 3 - MANAGERIAL RESPONSIBILITIES

- 3.01** The Union recognizes that it is the function of the employer to exercise the regular and customary function of management and to direct the working forces of The City of St. Albert, subject to the terms of this Agreement. The question of whether any of these rights is limited by this Agreement may be decided through the grievance procedure.
- 3.02** The Union recognizes that it is the right of management to re-organize the procedure and methods of performing work, whether the reorganization takes the form of creating new classifications, discontinuing old classifications or splitting and reorganizing classifications and departments, and adding or discontinuing jobs within classifications, raising or lowering classifications and any other bona fide changes in the organization of the work force.

ARTICLE 4 - BARGAINING

- 4.01** A Bargaining Committee shall be appointed and shall consist of not more than five (5) appointees by the City and not more than five (5) appointees by the Union local and a representative of the Canadian Union of Public Employees. The Union and the City shall advise each other as to their delegates to the Bargaining Committee. Members of the Union Bargaining Committee who are City employees will be compensated for attendance at negotiation meetings at their regular base rate of pay.
- 4.02** The Union shall have the right at any time to have the assistance of a representative of the Canadian Union of Public Employees when dealing or negotiating with the City. Such representative shall have access to the City's premises in order to investigate and assist in a settlement.

5.02 Informal Process

The City and the Union recognize the desirability of resolving differences through joint consultation and discussion. **Such discussion shall occur within ten (10) days of the incident giving rise to the dispute, except where conditions justify an exemption.** Both parties will attempt to resolve differences through informal means where possible, prior to proceeding to formal process

5.03 Settling of Grievances

Should any difference arise between the parties bound by this Agreement there shall be no general stoppage of work on account of such difference. Failing all efforts to resolve the issue through the process identified in Article 5.02, an earnest effort shall be made to settle any grievance fairly and promptly in the following manner:

- Step 1 An employee who believes themselves to be aggrieved shall **bring the matter to the attention of their respective Manager. Within ten (10) working days of no satisfactory resolve in the informal process, a grievance shall be submitted in writing and shall include the participation of an authorized representative of the Union. The Manager shall respond in writing within ten (10) working days, from receipt of the grievance.**
- Step 2 If a satisfactory resolution is not achieved at Step 1, **the Union, shall within ten (10) working days, submit the grievance to the Department Director with a copy to Human Resource Services. - Step 3 **After receipt of a decision at Step 2 either party may request that a Mediator meet with the parties, such appointment shall only occur when mutually agreed. The purpose of the Mediator's involvement is to assist the parties in reaching a resolution of the**

dispute and shall be non-binding where no resolution is reached. The expenses of the Mediator shall be equally borne by both parties.

Step 4 Failing a satisfactory settlement being reached in Step 3, **either party**, on giving ten (10) working days notice in writing may refer the dispute to arbitration. A copy of the written notice to refer the dispute to arbitration shall be forwarded to **the opposite party**.

5.04 Investigation of Grievances

The Employer recognizes the right of the **Union Representatives** to investigate grievances without hindrance or coercion in an effort to settle them. the decision of the Chair-person shall be the decision of the Board. The decision of the Board of Arbitration shall be final, binding and enforceable on all parties, and may not be changed. The Board of Arbitration or single arbitrator shall not have the power to change this Agreement or to alter, modify or amend any of its provisions. However, the Board or single arbitrator shall have the power to amend a grievance, modify penalties or dispose of a grievance by any arrangement which it deems just and equitable.
