Alberta CUPE Locals

Dear Local CUPE Executives,

**Re: CUPE Alberta Member Facilitators**

---

As Education Representative, it is important to continue to expand the roster of available Member Facilitators. To that end, I am seeking members who have taken CUPE Courses and have an interest in Union Education and would be willing to be trained to become a Member Facilitator.

Attached is an application for Member Facilitators. All completed applications received by November 20, 2019 will be reviewed and interviews will be scheduled. The training will be held in March 2020.

We build our roster based on many factors such as geographical area represented, members of equity seeking groups, or positive experience or involvement within the local. I will be keeping all submissions and reviewing applications as the need arises.

It is important for the Local Executives to identify and encourage members in their Local to apply. You are the first point of contact and know if members would be suitable and interested in becoming a Member Facilitator.

I would like to thank you for your assistance and look forward to the opportunity of working with you and your members who may decide to become facilitators.

In solidarity,

Audrey Barr  
Education Representative, Alberta Region
