Temporary Student Work Experience Program

This Letter of Understanding Agreement is made without prejudice and precedent to the interpretation or application of the Collective Agreement, any other agreements between the Parties, or any similar dispute between the Parties.

This Letter of Understanding (LOU) intends to allow Wood Buffalo Regional Library to host temporary student position(s) through government funding and the support of the non-profit organization CAREERS Next Generation. To help achieve this goal, the Employer and Union agree that this Letter of Understanding will outline the process and guidelines for a temporary student position under the Indigenous Youth Internship Program.

It is agreed by the parties that Wood Buffalo Regional Library may participate in Work Experience Programs with Alberta post-secondary institutions or community-based non-profit organizations that enable youth on their path to careers.

1. The Parties agree that up to two (2) temporary Indigenous Youth Internship student positions may be provided for 2023.
2. The temporary student position's main job duties will be similar to the job duties of a Page; however, it is agreed that the purpose of the program is to expose students to a variety of positions and functions at a public library to encourage a post-secondary path in library services, and as a result, the students may shadow various departments during their term.
3. The temporary student will report to the Circulation Services Supervisor.
4. The temporary student position is agreed upon the participating candidate meeting the following criteria under CAREERS Next Generation Programming:
 - (a) Student is in grade 10-12 (unless noted otherwise)

- (b) Range from six weeks in summer to part-time or full-time during the school year.
 - (c) Good standing student, academic and attendance.
 - (d) Screened and reviewed by CAREERS Next Generation.
5. The Student Employee will be paid at the Page start rate for the duration of this LOU, as long as the Employer has secured funding.
 6. The Employee will work 240 hours within 20 weeks of the program start date.
 7. The job security of Employees included in the scope of the Collective Agreement shall not be affected by this LOU.
 8. This Letter of Understanding will cease to apply to the Student Employee in any of the following circumstances:
 - (a) The Student Employee is terminated for just cause; or
 - (b) The Student Employee resigns from their employment.

This Letter of Understanding between Parties will expire after 180 days of signing this Agreement unless otherwise mutually agreed.

LETTER OF UNDERSTANDING #3

The Wood Buffalo Regional Library
(WBRL) ("the Employer")

-and-

Canadian Union of Public Employees Local 2157 ("The Union")

Transfer of positions between departments

WHEREAS: The Employer has recognized a need to transfer one full-time Circulation Associate position into an Information Services Associate position.

WHEREAS: The Employer and the Union recognize that a voluntary transfer from one department to another would be more beneficial than following Article 19 – Layoff and Recall, so the following procedure will replace Article 19 for this transfer.

CUPE Local 2157 and the Wood Buffalo Regional Library agree that:

1. The most senior Circulation Associate will be given the choice of transferring into the position of Information Service Associate. They will have 48 hours to inform the Employer of their choice.
2. If the most senior Circulation Associate does not accept the transfer, the next most senior Circulation Associate will be given the choice to transfer. This will continue until someone accepts the transfer or the least senior employee is offered the position of Information Services Associate.
3. If the least senior Circulation Associate does not accept the transfer, then Article 19 will prevail following the normal layoff and recall procedure.

This Letter of Understanding between the parties shall expire on December 31, 2024.
