LETTER OF UNDERSTANDING #1- NO REDUCTION IN WORKDAYS

There will be no reduction in working days in the school year and until the end of the term of the Collective Agreement to which this letter is attached. This letter applies only to a general reduction in working days applicable to all 10 month Employees and would not interfere with the Employer's right to vary work assignments for individual Employees. If the individual's position is to be reduced in hours in accordance with the Spring Placement Procedures and Timelines for Support Staff, the individual may choose to accept the lesser hours or to ask to be considered for a phase 1 placement. Lesser hours refer to a reduction of one (1) hour or more. These guidelines are outlined in the Spring Placement Procedures and Timelines for Support Staff.

LETTER OF UNDERSTANDING #2- PROFESSIONAL DEVELOPMENT

During the term of this Collective Agreement, the Superintendent or designate shall meet with up to three (3) representatives of the Union to discuss professional development concerns and opportunities.

Representatives of the union will suffer no loss of regular pay as a result of attendance at such meetings.

LETTER OF UNDERSTANDING #3

The Parties acknowledge a shared commitment to engage with the Truth and Reconciliation Calls to Action. Efforts should include engagement with community, partnerships, professional learning, and experiential learning (including land-based learning) which serve to deepen our mutual understanding of Indigenous peoples, cultures, histories and worldviews. An essential part of this work is confronting and challenging the colonizing practices that have influenced education in the past, and which are still present today.

As such, the Parties agree to engage in a discussion that includes the representatives from the School Division's Wisdom and Guidance Council members of the School Division's Administration, and representatives from Local 1099, in order to review the Collective Agreement and determine if there are potential changes and additions to the Collective Agreement that will assist in authentically engaging in the Truth and Reconciliation Calls to Action. The Parties will complete this engagement within 6 months of ratification of the agreement that Expires August 31, 2024.

LETTER OF UNDERSTANDING #4

The Parties are committed to establishing and maintaining a safe, inclusive, equitable, and welcoming learning and teaching environment for all members of the school community. This includes those students, staff, and families who identify or are perceived as lesbian, gay, bisexual, transgender, transsexual, two-spirit, queer or questioning their sexual orientation, gender identity, or gender expression. The Parties expect that all members of this diverse community will be welcomed, respected, accepted, and supported in every school.

In order facilitate this commitment, the Employer agrees to establish a planning committee that includes a maximum of three (3) representatives of the Employer, three (3) representatives of the Union and up to three (3) representatives of the Local Alberta Teachers Association will meet up to four (4) times a school year to collaborate on planning and developing supports to assist principals and their schools in implementing educational initiatives and developing school environments that respect the sexual and gender minority's unique identity, families, cultures and communities.

This letter of understanding will expire upon ratification of the collective agreement following the one that expires August 31, 2024.

LETTER OF UNDERSTANDING #5 – SAFE WORKPLACE

In the pursuit of maintaining a safe workplace, the Parties recognize:

- an Employee's right to working conditions which show respect for their health, safety, physical and psychological well-being;
- an Employee's right to be free from all forms of harassment and violence in the workplace; and,
- notwithstanding Article 5.1, the Employer, the Union and the Employee's shared responsibilities with obligations surrounding a Duty to Accommodate to ensure a non-discriminatory workplace environment.

The Union and the Employer will collaborate to promote and improve rules and practices which enhance the physiological and psychological conditions of Employees, and which provide protections from factors that undermine Employee health and safety.

As a result, all efforts will be deployed to prevent and correct any situation and any conduct liable to compromise the health and safety of Employees or deteriorate the work environment.

Given the importance of these issues, a maximum of three (3) representatives from the Union and the Employer agree to meet on at least a four (4) times a school year to openly and freely discuss issues that have been brought to each parties' attention. The parties will also review available data and information related to violence in the workplace, which may include Incident Reports, The Employee Accident Illness and injury Report, WCB claim forms, workplace violence risk assessments. Some information may be redacted to protect privacy. The intent of these conversations will be to prevent and correct any situation and any conduct liable to compromise the health and safety of Employees or deteriorate the work environment.

This letter of understanding will expire upon ratification of the Collective Agreement following the one that expires August 31, 2024

LETTER OF UNDERSTANDING #6 – NORMAL HOURS OF WORK

The Union and the Employer understand and agree that the 'normal hours of work' established in Article 14 of the Collective Agreement for each classification do not constitute or guarantee a minimum number of hours of work for each position. Instead, in accordance with 20.1, 'All authorized time worked beyond the normal hours of work as described in Article 14 of this Agreement or on a holiday shall be considered overtime.'

IN WITNESS WHEREOF the Board and the Union have executed this Agreement in triplicate by their respective officers hereunto duly authorized this 28th day of June A.D. 2024.
