- 16.6 The Employer will notify Employees at least fourteen (14) calendar days prior to the layoff. If the Employee is not provided with the opportunity to work during the notice period, the Employee shall be paid an amount equal to the regular wages the Employee would have earned in the fourteen (14) calendar day notice period at no less than the basic rate of pay for the regular position they occupied prior to the layoff notice.

The services of any Employee who has not been recalled within twelve (12) months, from the last day worked for the Employer, shall be regarded as terminated.
- 16.14 Subject to Article 14.6, no new Employees shall be hired until Employees on the layoff/recall list have been given an opportunity of recall.

 - (c) the Employee applies on a posted position and is successful in accordance with Article 15.

Casual Hours During Layoff

- 16.16 (a) Employees recalled for casual hours within their own classification during the layoff period shall be paid at their regular level and step.

- (b) In the event that a Regular Employee on layoff accepts an offer to work casual hours, such Employee shall be governed by the Collective Agreement provisions in Article 24, however, such Employee's recall status and seniority standing upon recall shall not be affected by the period of casual hours.
- (c) Priority for casual hours within the Employee's classification will be given to Employees on layoff, up to the Employee's previous FTE.
