### **RE: CUPE Alberta Woman of Distinction Award**

In 2024 the Alberta Women's Committee started its work by creating the CUPE Alberta Woman of Distinction Award.

This award will be presented at the CUPE Alberta Division Convention each year to celebrate the achievements of women whose spirit of activism and dedication to their fellow workers and their communities have inspired cooperation, action and change.

The nomination process is where the celebrations truly begin. It gives us all an opportunity to think about our union friends who have changed our lives. The nomination form is a story of a person whose achievements deserve recognition.

One of these women will be selected, but all the stories will be shared and all the nominees will be celebrated.

#### **The award will be presented to:**

- a local CUPE woman activist, or
- a CUPE local

#### **Recognizing the work of a woman or a CUPE local that:**

- Has taken concrete actions towards advancing women's equality;
- Demonstrates a deep commitment to social justice;
- Advances the participation of all women in CUPE;
- Provides leadership and promotes understanding of the strength our union gains through diversity;
