CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 5829

RE: RE-CLASSIFICATION REVIEW

The Parties acknowledge the value of Education, Service and Competency when assessing the classification level for Educational Assistants, School Secretaries and Librarians.

The Employer acknowledges the Union's concern regarding long standing employees in the above classifications who have not progressed to different levels of the same classification.

And the Parties acknowledge the existing provisions under article 34.2 regarding Reclassifications.

As such, the Parties agree to engage in discussions to evaluate what is required for a transition between the levels of the above classifications for staff currently employed in those roles. These discussions could include, but are not limited to:

- Employee Service as an equivalency for education as a means to transition levels;
- Employer in servicing as a means to transition levels;
- Increased responsibility as a means to transition levels.

These discussions will inform Employer policy for the transition between levels that will be put forward to the Prairie Land Public School Board for approval on or before December 31, 2024.

The parties acknowledge the importance of this review and can mutually agree to extend the timeframe for which the policy is submitted for approval.
